Get to know Family Constellations

As a representative in the circle — open to everyone living on Crete

You need bring nothing and know nothing. As a representative you help hold the field for others — you simply follow your bodily sensations, nothing more. Many experience a strange resonance with their own life in the process. This flyer is for everyone living on Crete who would like to get to know the work from the inside. Anyone who wants to bring their own concern and set up their own constellation will find a separate flyer for that.

WHAT A REPRESENTATIVE DOES

- You are asked to stand in for a family member — “please represent my mother”.
- You act nothing out. You stand in the room and follow what your body senses.
- You may decline. Anyone who prefers not to stand sits in the second row — still in the field.

HOW YOU CAN JOIN

- As a day guest — arrive in the morning, return in the evening. No overnight stay needed.
- If you wish, you can camp in your own tent on the land (see prices).
- If you need a hotel room, please ask — we will send you the prices.
- You take part for the whole period (Fri–Sun), so the field stays stable for everyone.
